## EXPERIENCE

### **Team Alfy Web services, UK (remote)—Front-End Website Developer & UI/UX Designer**

January 2021 to Present

I Designed and updated layouts to meet usability and performance requirements. I worked in an Agile-driven environment to effectively maintain project timelines and utilise available resources. I designed and built optimised landing pages in HTML, CSS, JavaScript, and Bootstrap for integration and cross-browser compatibility. Employed coding practices based on commonly accepted standards to establish site layout and user interface. Completed full redesigns of existing websites to improve navigation, enhance visuals, and strengthen search engine rankings.

### **Adenta Municipal Assembly, Adenta, Accra IT Support (Part-Time)**

November 2021–November 2022

I worked in the management information system department, where I was tasked with helping troubleshoot other departments' IT gadgets and problems, I also worked on Network issues, including printer and other device network issues.

### **Team Alfy Web Services, Ghana (remote)—Front-End Website Developer Intern**

May 2019 to June 2020

I worked in an Agile-driven environment to effectively maintain project timelines and utilise available resources. I built optimised landing pages in HTML and CSS for integration and cross-browser compatibility. Employed coding practices based on commonly accepted standards to establish site layout and user interface. I completed full redesigns of existing websites to improve navigation, enhance visuals, and strengthen search engine rankings and gained skills in Bootstrap at the end of this internship.
